

Why We Can't Wait

EQUALITY IN EDUCATION

DAY
OF
ACTION

Tuesday October 25th

1:00 to 4:00pm

The Grand Staircase

The State House, Boston

Hundreds of capable young people have their futures on hold because they are currently denied access to college based on their immigration status.

Our goal is to gather 400 supporters, representing the 400 students who are unable to access higher education.

We need to show the legislature that everyone deserves the right to an education. **THE TIME TO ACT IS NOW.**

Please RSVP to Carlos Saavedra at 617-350-5480 ext 200 Csaavedra@miracoalition.org

Call us to help you schedule a meeting with your representative on this issue.
