

As global financial markets come unhinged, as people lose their homes and livelihoods, as the cost of war escalates, as workers and borders cross one another, it is time to think about the economic system that structures our choices and determines much of our life chances...

Join renowned scholar and economic geographer Richard Peet as he helps navigate this often hidden world. An informed and rigorous thinker, Peet is also a charismatic and trenchant critic of the rule of capital.

GLOBAL FINANCE CAPITAL

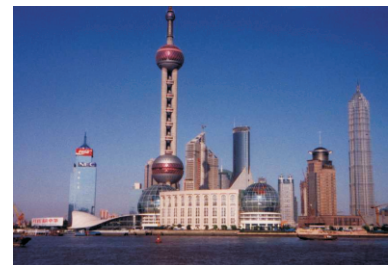

Richard Peet

February 2, 2008

7:00 - 9:30 p.m.

encuentro 5

33 Harrison Ave, Boston, MA 02111
