THURSDAY
AUGUST 23
7:00 - 9:30 PM**

Providence RI, Industrial Workers of the World (IWW) march on Jackies Galaxy, a local restaurant chain supplied by HWH/Dragonland in NYC, a supplier notorious for slave labor conditions and a lack of basic labor rights. A few blocks before finishing the march North Providence police brutally tackled two of the marches after they moved to the sidewalk too slowly, both were arrested and one suffered a badly broken leg in the attack.
